IDROSAPIENS
Witzenmann Group

Idrosapiens (www.idrosapiens.it) designs, produces and markets a wide range of components: expansion joints, metal bellows, rubber expansion joints, fabric expansion joints, metallic flexible hoses, nuclear and aerospace components, pipe ancillary equipment (supports, hydraulic shock absorbers, pipe rolls), chemical resistant systems. It is a part of the Witzenmann Group (www.witzenmann.com).

A special branch of the company, the **Aerospace Division**, has been created and is expressly devoted to the realisation of specific projects. The QS of the Division is certified ISO 9001 since 1997 ([SGS certificate 97.090](#)).

Idrosapiens S.r.l. - Str. Volpiano 49 Leini' (TO) - Italy - Tel. 0039/011/9986900 - E-mail: aerospazio@idrosapiens.it
