

No. 6990-20-M

Adapter for pressure gauge connection

max. operating pressure 630 bar.

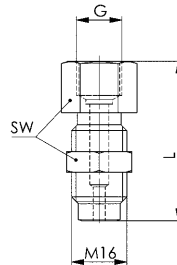

Order no.	Article no.	G	L	SW	Weight [g]
554600	6990-20-M	G1/4	46,5	19	74

Application:

Adapter for pressure gauge connection G1/4 on measuring hose.

Note:

Adaptation is possible under pressure up to max. 400 bar.

No. 6990-20-A

Adapter for pressure gauge connection

max. operating pressure 630 bar.

Order no.	Article no.	G	L	SW	Weight [g]
327353	6990-20-A	G1/4	41	19	75

Application:

Adapter for pressure gauge connection G1/4 on measuring coupling 6990-20-G.

Note:

Adaptation is possible under pressure up to max. 400 bar.
